## A Visit to Warm Springs.

MR. EDITOR: What an elegant thing this rustication is. Certainly if J. G. Sax was justified in saying God bless the man who first invented sleep, the man who first invented the annual vacation deserves praise too. And happy the man who, really needing the rest, fluds such a beautiful and in every way suitable place to take it in as we have here. Thus far everything has been as agreeable as possible.

men as the popular rector of St. John's Church and Mr. Deadrick. At Morristown I was met and royally entertained by kind friends. The so-called Boncombe train next the city. morning made quite an improvement on the chedule which has it to leave ten minutes before the arrival of the early freight train from Knoxville, by kindly waiting until that train was in. While the first ten or twelve miles from Morristown were dreary enough, everything suffering from the want of rain, and not much there to suffer at that, the region of Pigeon river and French Broad was a joy to behold. With the beautiful natural scenery of that region, and the luxurious corn out, and a few ladies specially favored by nature lavishly shedding the light of their beauty around within, the journey could not fail of being pleasant. tered the wildly mountainous part of agreeable air of coolness and fresh-

ness. At Wolf Creek, which looks hemmed in by mountains as if there was really no use of trying to get any farther, the railroad prudently stope; we left the question of going on in line. abeyance for the present, partook of dinner at the hotel, where then mounted a regular old-fashioned stage, which started straight for the mountain. We had to take it on blind faith, for there seemed no way of getting over or through it; but a small brook was discovered purling down a valley; we followed it and different and of the formula of the formul mile, as we neared the North Carolina it to stop at Little Rock." line; after the stage caught up with us, I took a seat with the driver (about six of us, including a lady, rode outside) which gave me a de-lightful opportunity to view the country, which is simply a wild moun-

Ayer's Cathartic Pills, For all the purposes of a Family Physic, and for curing Costiveness, Jaundice, Indigestion, Foul Stomach, Breath, Headache, Erysipelas, Rheumatism, Eruptions and Skin Diseases, Billousness, Bropsy, Tumors, Worms, Neuraigni, as a Dinner Pill,

mote vigorous health.

fective and congenial purgative ever discovered. They are mild, but ef fectual in their operation, moving the bowels surely and without pain. Although gentle they are still the

searching cathartic medicine that can be employed: cleansing the stomach and bowels, and even the ood. In small doses of one pill a day, they stimulate the digestive organs and

AYER'S PILLS have been known for more than a quarter of a century, and have obtained a world-wide reputation for their virtues. They correct diseased action in the several assimilative organs of the stand or evade them. Not only do they cure the every-day complaints of everybody, but also formidable and dangerous beases that have baffled the best of human skill. While they produce powerful effects, they are, at the same time, the safest and best physic for children. By their aperient action they gripe much less than the common purgatives, and never give pain when the bowels are not inflamed. They reach the vital fountains of the blood, and strengthen the system by freeing i from the elements of weakness.

Adapted to all ages and conditions in all climates, containing neither calemel nor any deleterious drug, these Pills may be taken with safety by anybody. Their sugar-coating preserves them ever fresh, and makes them pleasant to take; while heing purely vegetable, no harm can arise from their use in any quantity. PREPARED BY

Dr. J. C. AYER & CO , Lowell, Mass., Practical and Analytical Chemists.
SOLD BY ALL DECOGISTS EVERYWHERE.
